

Product Specifications

Product Name :

10-Chloro-7H-benzo[c]carbazole

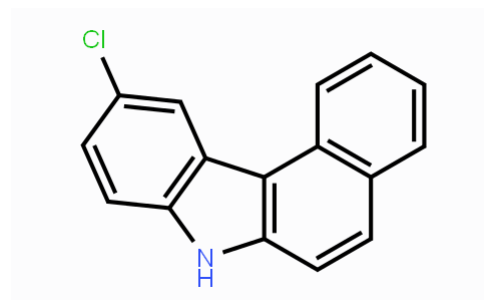

Product Number : MC444629

CAS Number : 1493718-01-6

Formula : C₁₆H₁₀ClN

Molecular Weight : 251.71

Structure:

| Test | Specification |
|--------|---------------|
| Purity | NLT 98% |

*The current Specification sheet may be available at www.molcore.com.
