

Product Specifications

Product Name :

Chlorotris(triphenylphosphine)cobalt(I)

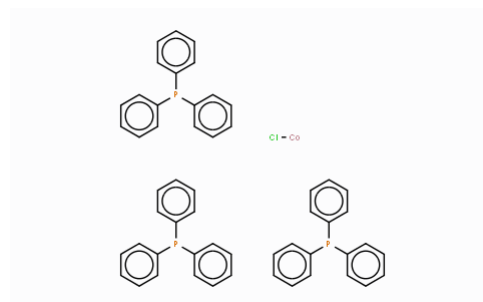

Product Number : MC445011

CAS Number : 26305-75-9

Formula : C₅₄H₄₅ClCoP₃

Molecular Weight : 881.24

Structure:

| Test | Specification |
|--------|---------------|
| Purity | NLT 98% |

*The current Specification sheet may be available at www.molcore.com.
