

Product Specifications

Product Name :

Furosemide

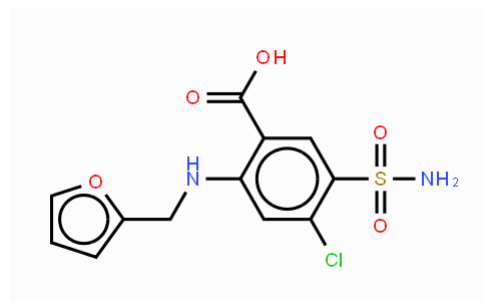

Product Number : MC445167

CAS Number : 54-31-9

Formula : C₁₂H₁₁ClN₂O₅S

Molecular Weight : 330.74

Structure:

| Test | Specification |
|--------|---------------|
| Purity | NLT 98% |

*The current Specification sheet may be available at www.molcore.com.
