

Product Specifications

Product Name :

2-Bromo-3-nitrobenzoic acid

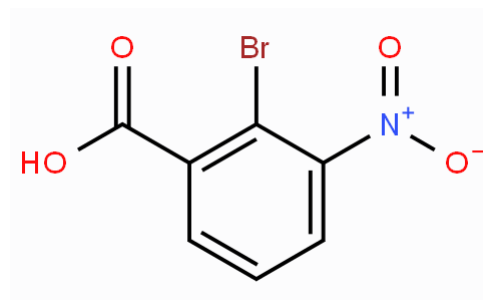

Product Number : CS10242

CAS Number : 573-54-6

Formula : C₇H₄BrNO₄

Molecular Weight : 246.01

Structure:

| Test | Specification |
|--------|---------------|
| Purity | NLT 98% |

*The current Specification sheet may be available at www.molcore.com.
