

Product Specifications

Product Name :

Benzylidiphenylphosphine

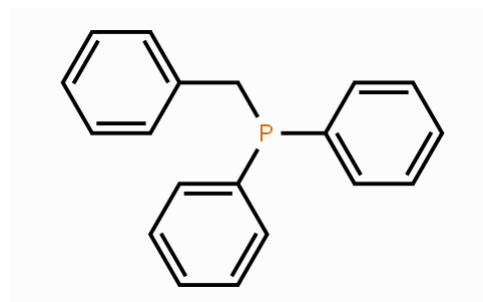

Product Number : MC444870

CAS Number : 7650-91-1

Formula : C₁₉H₁₇P

Molecular Weight : 276.31

Structure:

Test	Specification
Appearance	White crystalline powder
Purity	NLT 98%

*The current Specification sheet may be available at www.molcore.com.
